#FUCK THE POLICE. I mean, the woman was only driving from Chicago to Texas to start a new job. So how the hell did she end up getting pulled over for failing to signal then end up dead? I don't understand. And if you don't understand either you should be down at the Square today at 5 pm. We going to march up and down these streets of B'more to protest these whack ass cops! #Black lives matter, #Keep Hope Alive #Cop Killing Can Kiss My Black Buttock. Post.

TOO LEGIT TO QUIT:

Jabari's mom dropping him off today for my bday. Driving him all the way from Poughkeepsie to hang out with me at my favorite Philly beach. Love my kid. 3 years old looking good on him. Alecia organized this celebration at my favorite place, the beach! Best thing I ever did marrying her. Happy Anniversary one year ago last week, baby. Post.

THE WHINER:

I hate my job. Or I would if I had one. Just saw in the news my hometown was flooded today. Topeka is under water. Glad I got out of that shithole. But I'd gladly take a job, anybody's job if anybody's got anything happening? Post.

I aime mon vieil homme! Google translate, I love my old man! He doesn't think I talk funny. People in the UK get a bad rep. When I first spoke with Will James, wish I could hyperlink him, he said my accent was sexy and that his biggest fantasy was to be with a Black Brit. And the fact that I also speak fluent french from attending a posh boarding school en Paris? Icing on the cake! Two years later here we are. Maybe soon he'll get down on one knee and propose to me saying, "Will you be my wife?" Eeek! I love my old man. Post.

PET AND BABY PIX:

Here's an updated picture I took when I was home in San Antonio last year of my dog Ruffles that I just updated from the last picture I updated 10 minutes ago. Ain't he cute? Almost as cute as my Jeremy. He just threw up on me again. Not the dog, the kid. Nobody back home told me being a new mom all by my lonesome in Dallas was going to be like this. Big ass big city. I smell like ass and vomit and every other baby liquid in between. Oh, but he's so cute! I just love putting my lips on his belly and blowing and making him baby giggle! Even if he stink. And I never get any sleep. Look at this pix. Isn't he the cutest baby ever? Post.

THE ZEALOT:

Pray! To all my friends who are going through some tough times right now--let's start an intentional prayer avalanche... If I don't see your name, I'll understand. May I ask wherever you may be to kindly copy, paste and share this status for one hour? I hope to see this on the walls of all my friends just for moral support. I know some will. God works in mysterious ways. If you think He does. Love to you from me and my students in Tanzania. Post.
